2024

EFNMS – Maintenance in Europe

EFNMS, the European Federation of National Maintenance Societies, was established in 1970. The EFNMS transformed to a formal non-profit organization (“Vereniging zonder Winstoogmerk”) according to Belgian law created on January 18, 2003, in Amsterdam.

Maintenance is of utmost importance for **trade** and **commerce**, for the **environment**, and for **general health and safety**. In order to pursue its goals, the EFNMS shall be an umbrella organization for the non-profit National Maintenance Societies in Europe.

Vision

We are recognised as the leading European network for knowledge and experience in maintenance and physical asset management – That means that EFNMS has competencies in Maintenance but also in Physical Asset Management which includes Design, Configuration, Operation, Continuous Improvement and Disposal.

Mission

Develop the Maintenance profession, enhance innovation in maintenance, and increase awareness of the importance and the significance of Maintenance and Asset Management.

EFNMS has assigned to A.I.MAN. Italian Maintenance Association the organization of EuroMaintenance 2024. The only Pan-european maintenance conference and trade fair event .

A.I.MAN. is a no-profit scientific/cultural association, founded in 1959, aimed to disseminate and develop the culture and professionalism in the Italian Maintenance sector: activity that plays a role of primary importance in industries and services, due to the great impact it has on functionality of the plants, safety at work, the quality and cost of the final product.

Values

A.I.MAN. intends to reward associative, scientific, cultural, ethical and operational values expressed by its members who, in compliance with the Statute and of the Association's Code of Ethics, **operate in all sectors of maintenance and collaborate in the dissemination of maintenance culture in congresses**, conferences, seminars, meetings and training to improve the reliability, availability and longevity of anthropic systems, to raise people's awareness of prevention, safety and the protection of health and the environment, reducing waste, risks and dangers within every activity.

Bruno Sasso – A.I.MAN. President

“A.I.MAN. is the cultural reference for Maintenance in Italy and for its development in Europe”

Cristian Son – Marketing & External Relations Manager, EFNMS – A.I.MAN. Delegate

“Maintenance is a profit center and Italy in Rimini 2024 is the center of Maintenance in Europe”

Welcome to EuroMaintenance 2024

A historic event for all maintenance professionals!

We are thrilled to announce that, from 16 to 18 September 2024, the Rimini Palacongressi will be transformed into the European capital of industrial maintenance.

Overview:

EuroMaintenance 2024 is recognized as the only European trade fair and conference dedicated exclusively to maintenance.

This extraordinary event will bring together professionals, industry experts and leading companies for three unforgettable days of networking, innovation and knowledge exchange.

The event offers **workshops, training and conferences** with worldwide experts, to learn more about best practices, emerging trends and innovative tools. The aim is to provide new skills and practical solutions to improve maintenance operations within industrial, infrastructural and transport environments.

Networking will be key: a stimulating event to exchange ideas, experiences and create new synergies. The event will be the ideal place for leading companies to present their innovations.

You can discover the latest technologies and see how they can revolutionize the whole industry.

Mission:

Our mission is simple but ambitious: we aim to create an exceptional experience for all participants, offering a stimulating environment and help the development of new synergies and partnerships.

The objective is to connect the protagonists of the maintenance world, facilitating the meeting between cutting-edge suppliers and professionals eager to explore the latest solutions and technologies.

 Attendees since 2005

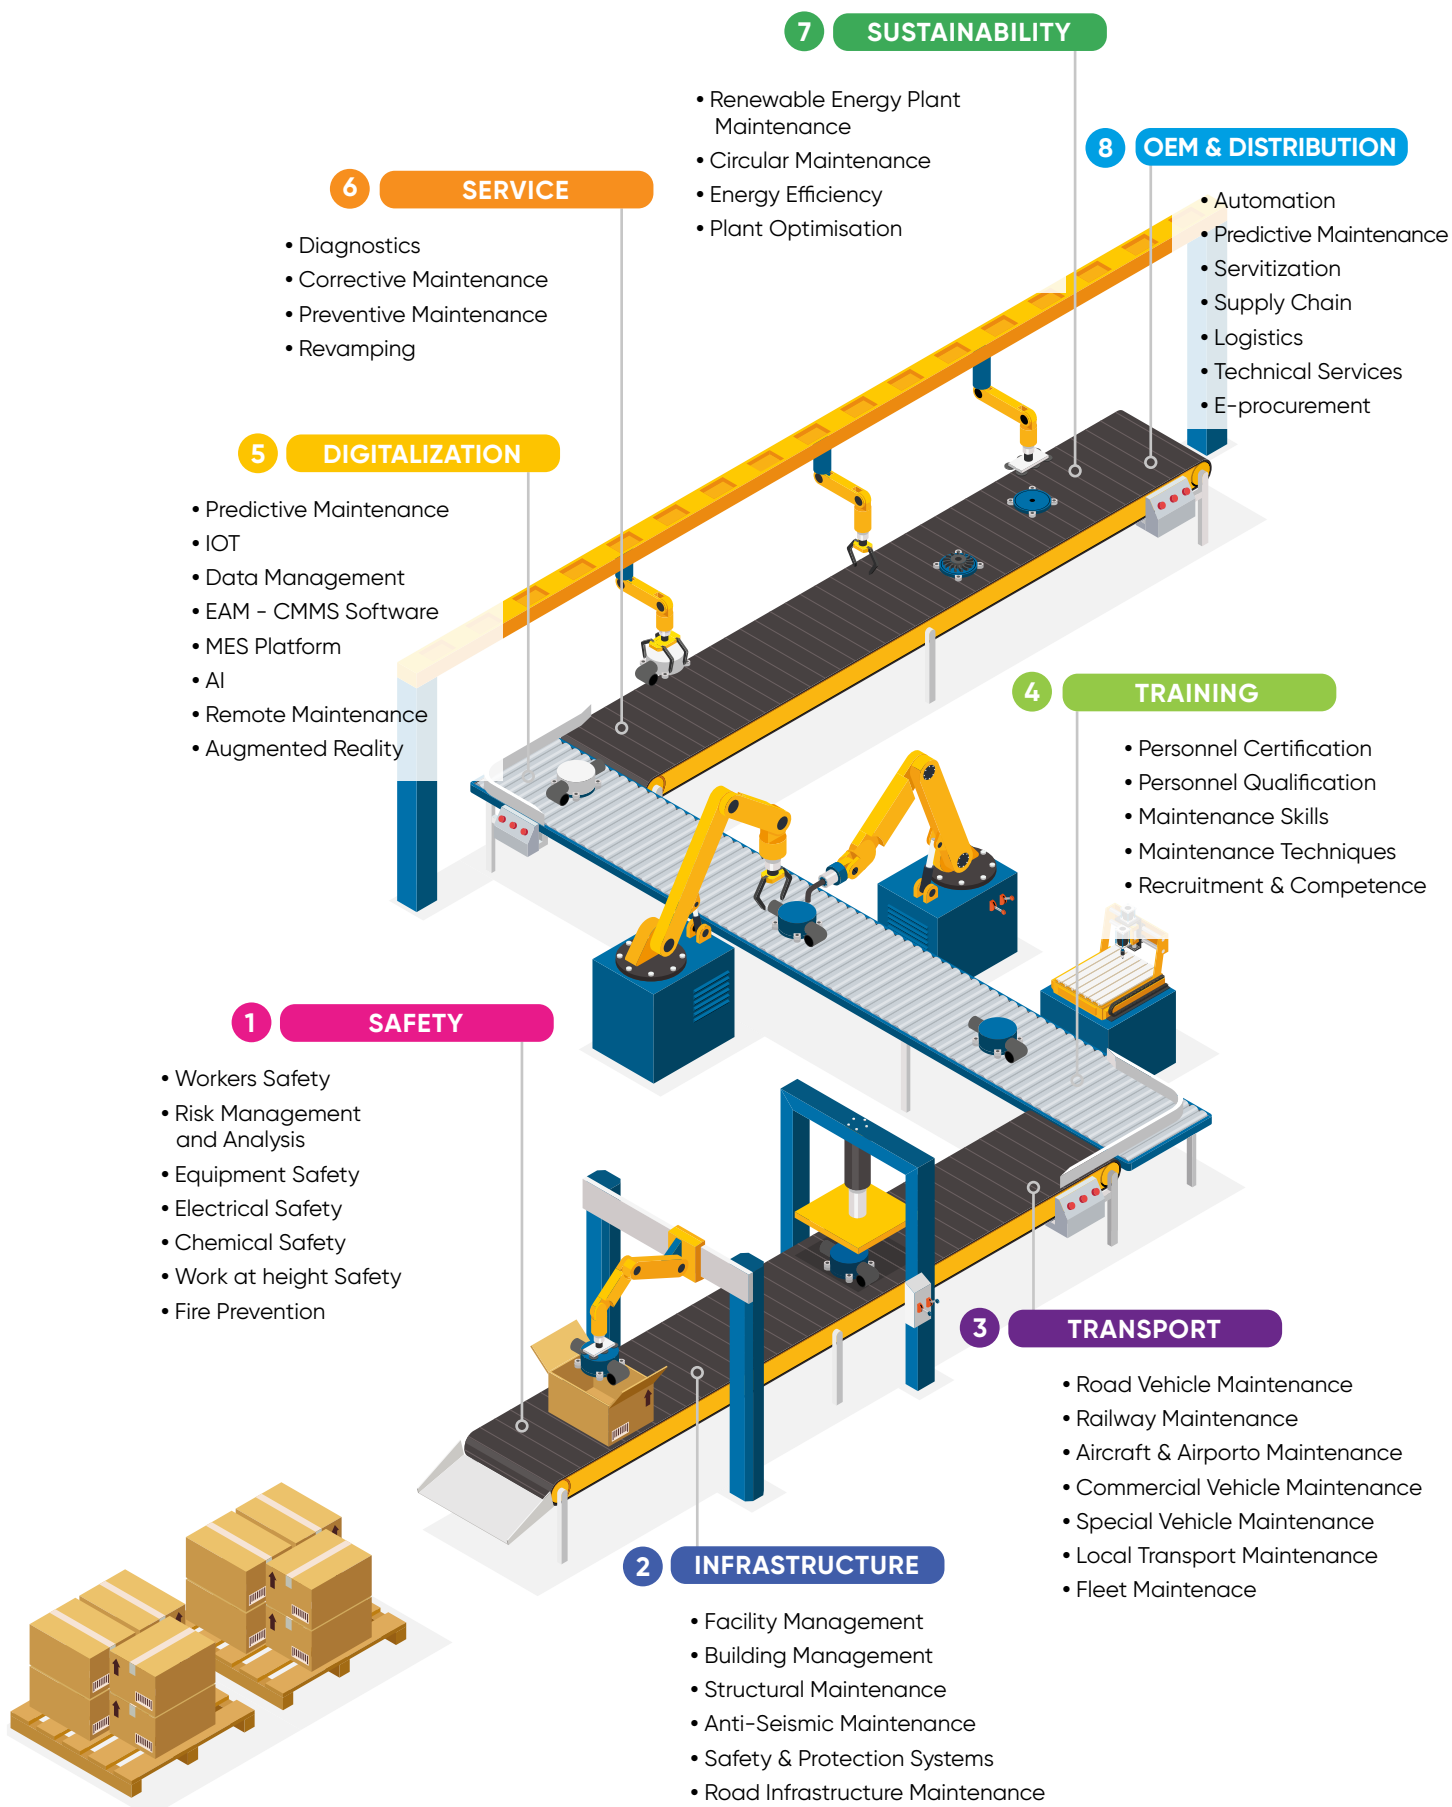

"THE MAINTENANCE SHOW"

Three days completely dedicated to the world and market of maintenance and asset management.

- A **conference** with maintenance world's leading experts and trendsetters
- Multiple parallel sessions with **Top Level contents**
- The Maintenance **Show**
- **Awards** for international maintenance disruptive excellences
- **Exhibition Pavilion** with the main brands within the industry
- **Thematic areas**
- **Workshop areas**
- **Gala VIP dinner** with exclusive guests
- **Spouse Program** for accompanying travelers
- An academic dedicated space with a connection **with career guidance**

The heart of EuroMaintenance 2024 will be represented by 8000 sqm of exhibition space that will highlight all innovations of maintenance & asset management industry.

What you will find:

Turnkey stands: a convenient and professional way that allows exhibitors to focus on the interaction with attendees without setup complications.

Customized Stands: for a unique corporate image, fully customizable stands that express the corporate identity and highlight their product and solutions with an engaging style.

Workshop Areas: the workshop areas offer practical sessions conducted by experts, where new techniques and skills can be achieved directly from industry professionals.

Demo Sessions: demos in the exhibition allow companies to show their solutions, enabling participants to understand the potential of the proposed technologies and services.

Why exhibit at EuroMaintenance 2024

Seven reasons to be there

1. **Global Visibility:** access a vast audience of high level professionals from all over Italy and the world.
2. **Network Opportunities:** Create strategic connections and discover new partnerships.
3. **Versatile Exhibition:** choose between a turnkey stand or customizable one to best represent your company.
4. **Active Learning:** participate to workshops and demo to show your solutions in action while creating new skills.
5. **The heart of the network:** enter your company within the maximum expression of the A.I.MAN. and EFNMS network. The experts are already part of that, and the appointment is in Rimini.
6. **A success story:** A.I.MAN events have been recognized as the landmark for the maintenance world and EuroMaintenance 2024 is the pinnacle of a long and successful journey.
7. **Much more than a fair:** Sponsorships, Partnerships, Marketing Packages to maximize your presence anytime and everywhere.

**MISTERY
MANUT**

Be part of EuroMaintenance 2024
to **connect, grow and contribute** to the
ongoing Industrial Revolution that is placing
maintenance and asset management
right at the heart of the World.

European Maintenance Manager Award + ...

On the occasion of EuroMaintenance 2024, awards will be assigned to the best academic works throughout Europe: the Master's Thesis Award (MTA) and the PhD Thesis Award (PTA). The objective of this award ceremony is to promote, encourage and incentivize theoretical and applied research related to maintenance, helping to develop knowledge and practice among European universities and research institutes students, for a better maintenance of our world. The awards are sponsored and financed by the **Salvetti Foundation**. The selection process of these awards is divided into several phases. The first, initial, consists of a national competition of proposals. Subsequently, the winners, representing each respective National Maintenance Society, will compete continentally. The candidates will be evaluated by European experts coordinated by the **Salvetti Foundation**, in order to select the European winners of each award. The European winners of both academic maintenance awards will be announced in June 2024, and will receive their award during EuroMaintenance 2024.

In 2019, on the occasion of the 60th A.I.MAN. foundation anniversary the **1st Italian Maintenance Manager Award** was presented, created by A.I.MAN. – Italian Maintenance Association and sponsored by Salvetti Foundation, with the aim to recognize excellent results achieved in the Maintenance Manager role.

Italian Maintenance Manager Award:

Year	Winner	Company
2020	Alberto Fassio , <i>Operations Manager Area Centro Nord</i>	RaiWay
2021	Andrea Bottazzi , <i>Vehicles Maintenance Manager</i>	TPER
2022 Ex aequo	Gioacchino Mugnioco , <i>Maintenance & Warehouse Manager</i>	Sonatrach Raffineria Italiana
2022 Ex aequo	Antonino Sannolo , <i>Electromechanical Engineering - Division Manager</i>	Compagnia Valdostana delle Acque
2022 Under 40	Antonio Lotito , <i>Corato Milling Plant Maintenance Manager</i>	Casillo Group
2023 Maintenance Manager	Matteo Diani , <i>Maintenance & Investments Director</i>	Cogne Acciai Speciali
2023 She A.I.MAN.*	Cinzia Intili , <i>Equipment Reliability Engineer</i>	Vado Gateway
2023 Maintenance Engineer	Giuseppe Cavalleri , <i>ECM Manager and Holder</i>	Siemens Mobility

* award named after/honoring Dora Priano Salvetti

Competence Day

Experience the EuroMaintenance 2024 half day dedicated to skills & competence!

On September 18th we will open our doors to students from professional and university institutes to involve them into the world of industrial maintenance.

The day begins with engaging **lessons by industry and academic experts.**

Students will be able to deepen their skills and learn about the latest trends and technologies in maintenance.

After the lessons, students will meet the exhibiting companies. They will discover the innovations, know-how and **career opportunities.**

During the event, career guidance and recruitment experts will be available for the students to provide them with personalized consultations and advice about building a successful career in industrial maintenance.

A.I.MAN. is committed in promotion of training and education in the maintenance field and contributes to cultivate minds and talents from new generations.

Spouse Program

"THE MAINTENANCE SHOW... FOR EVERYONE"

Spouse Program

Be part of the EuroMaintenance 2024 **"Spouse Program"**, created specifically for our guests' accompanying travelers. Explore Rimini through guided tours to discover cultural treasures, excursions in the hills and on the Adriatic Riviera to admire breathtaking views, tastings of local delicacies and shopping moments. Socialize, create new friendships and share emotions. You will live unique experiences while the experts are attending the sessions of the conference. An opportunity to make your days in Rimini an unforgettable stay!. **Join us during EuroMaintenance 2024 and live the extraordinary... in Rimini!**

"LET THE MAINTENANCE SHOW... BEGINS"

We are pleased to announce the EuroMaintenance 2024 Gala Dinner that will take place the 15th of September 2024.

This exclusive and glamorous event will welcome guests in an elegant and refined atmosphere. It will be the perfect opportunity to meet colleagues, experts and industry leaders, while enjoying delicious Italian gourmet dishes.

The EuroMaintenance 2024 Gala Dinner will be a unique experience to celebrate days of inspiration, innovation and collaboration

HOW TO GET THERE

Find out how it's simple
and fast to get to
Rimini by car, train
or airplane!

BY AIRPLANE

Bologna International Airport "Guglielmo Marconi" is located about an hour from Rimini.

It ensures daily connections with the main Italian, European and all over the world cities, served by major international airlines.

From Bologna airport, a shuttle service is available to Rimini and return: Shuttle Italy Airport

Bologna airport is connected to the station by train from the People Mover, which takes 7 and a half minutes and it takes to High Speed railway.

BY CAR

Rimini is well connected with the rest of Italy and Europe. It is located on the A14 Milan-Bari motorway.

With the A14, from Rimini you can easily reach the A4 for Venice and the A22 to the Brenner pass, and you can

also reach the A1 for Florence, Rome and Naples. To reach the Palacongressi, take the Rimini Sud motorway exit.

PARKING

The Palacongressi has 500 covered free parking spaces and 150 outdoors.

[Download the map indicating the nearby car parks.](#)

BY TRAIN

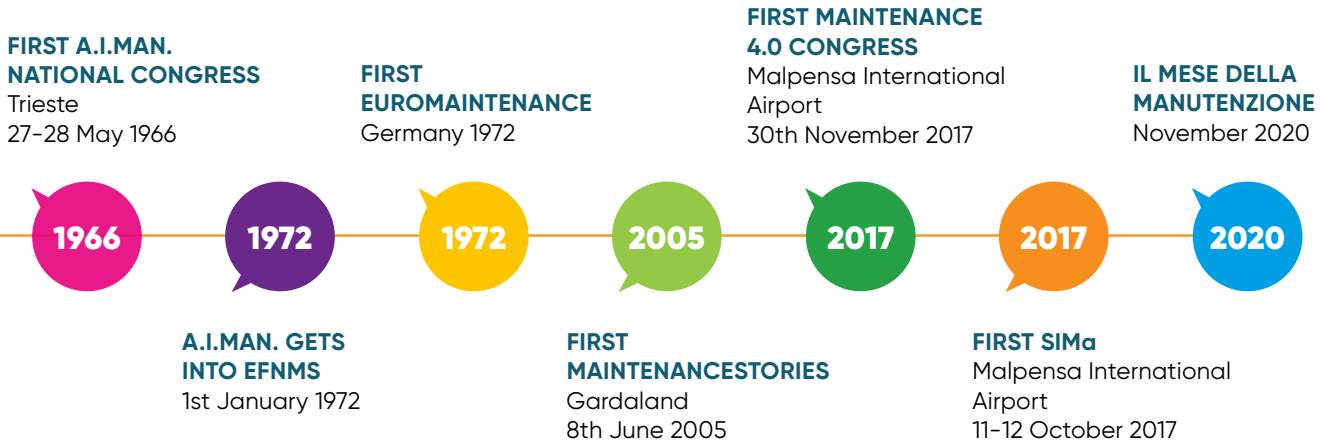

The Rimini Palacongressi is connected to the train station via bus line N.7.

From Rimini station, 1.5 km from the Palacongressi, you can easily reach Bologna in 56 minutes, Milan in 2 hours and Rome in 3 hours and a half via High Speed trains.

A bit of history!

The Roadshow 2023 towards EuroMaintenance 2024

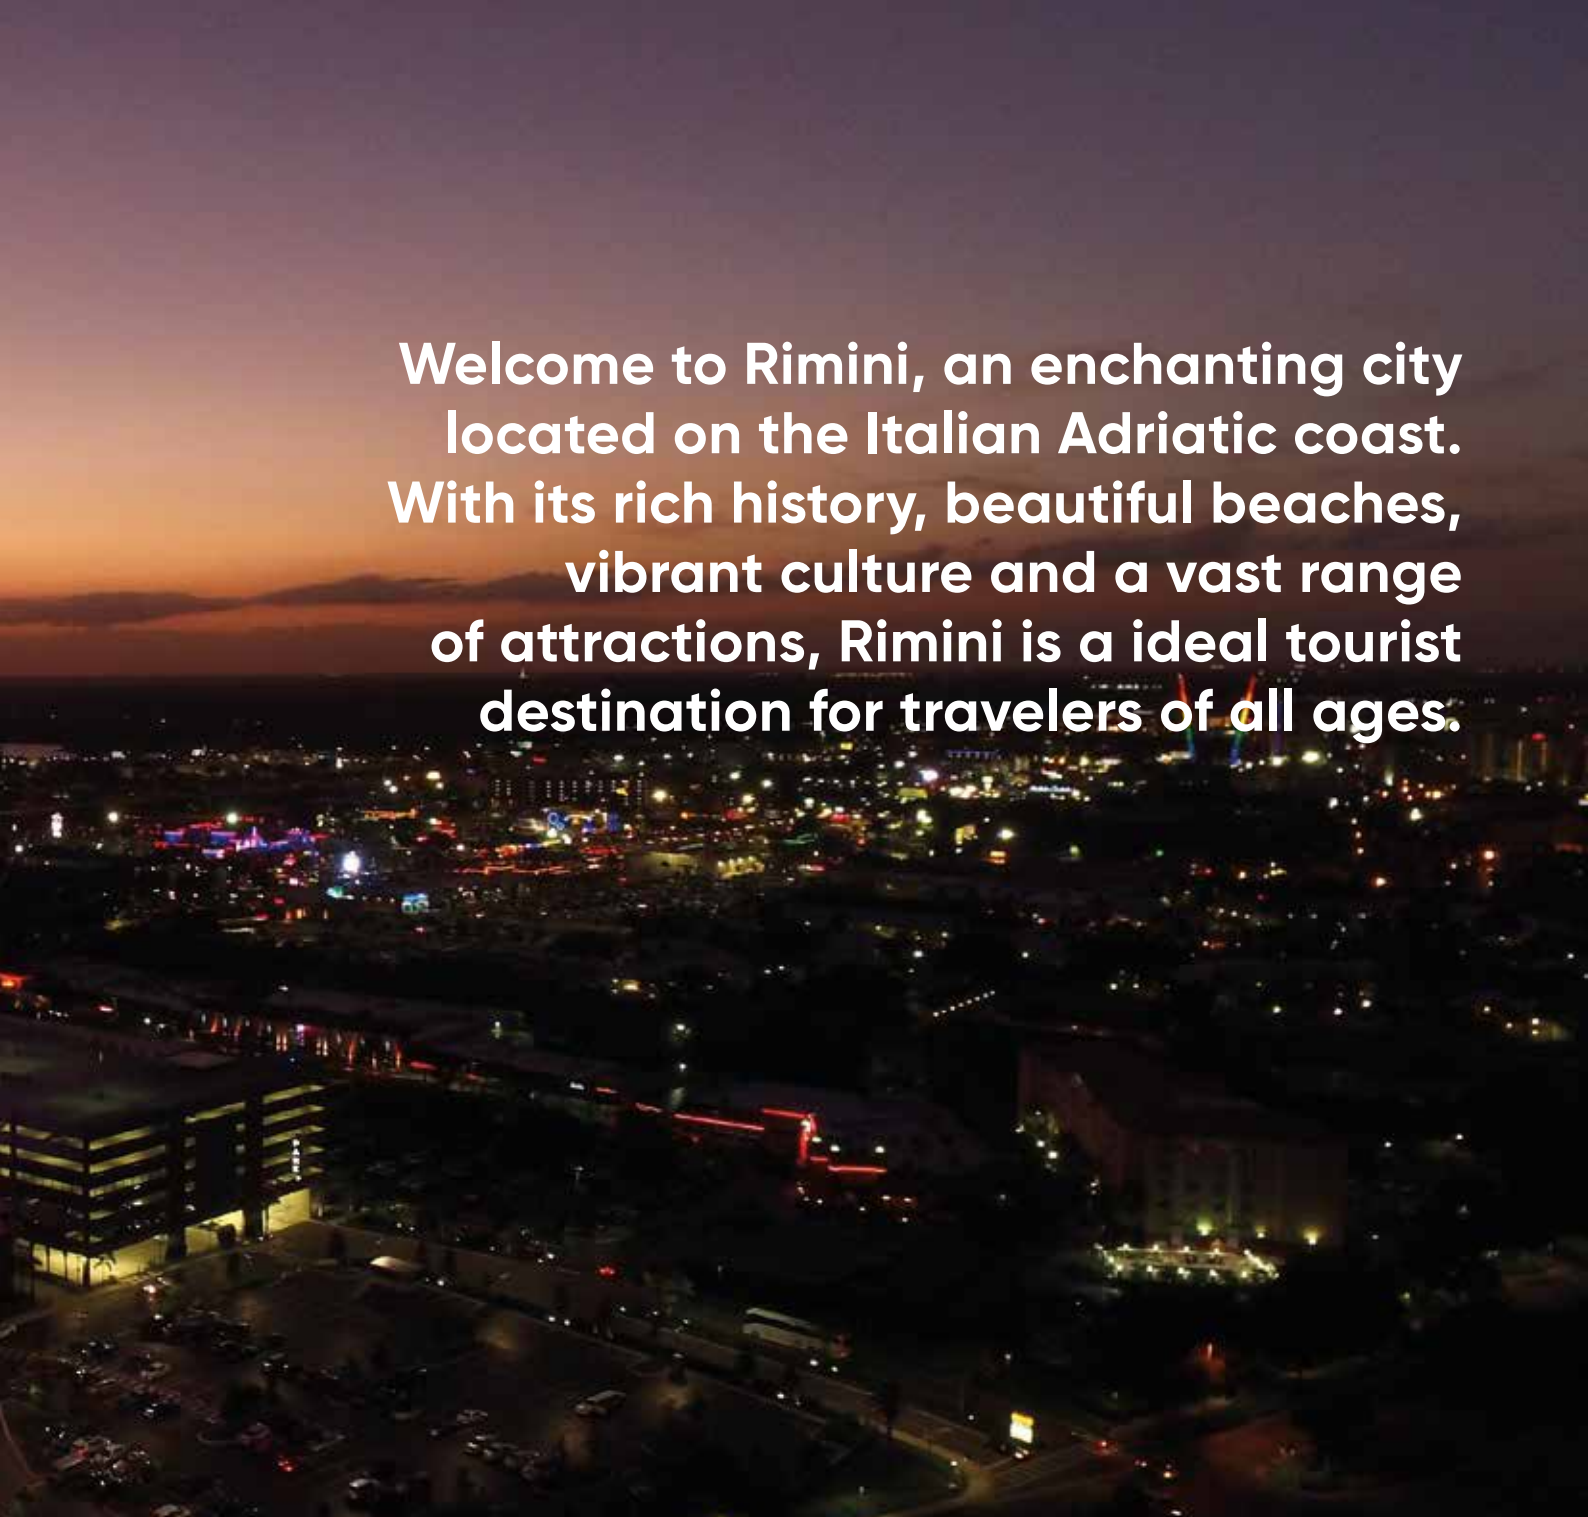

Visit Rimini

Here's 10 reasons why you should visit Rimini and its surrounding:

1. **Breathtaking beaches:** The wide beaches of Rimini are famous for their golden sand. You will be able to relax under the umbrella, take a refreshing swim or participate in various water activities.
2. **History and culture:** Rimini is a city with a long history that dates back to Roman times. You will be able to discover its cultural heritage by visiting the Arch of Augustus, the Tempio Malatestiano and the Castel Sismondo, which offer fascinating historical insights.
3. **Squares and nightlife:** The lively squares of Rimini, like Piazza Cavour and Piazza Tre Martiri, are the pumping heart of the city. In the evening, these areas come alive with bars, restaurants and nightclubs offering a vibrant nightlife.
4. **City of Art:** Rimini's proximity to other cities of art like Ravenna and San Marino will allow you to do some trips out of town to discover ancient Byzantine mosaics, medieval ruins and castles.

Welcome to Rimini, an enchanting city located on the Italian Adriatic coast. With its rich history, beautiful beaches, vibrant culture and a vast range of attractions, Rimini is a ideal tourist destination for travelers of all ages.

- 5. Gastronomy:** Romagna cuisine is famous for its variety and quality. Taste typical dishes such as piadina, egg pasta and exquisite local desserts.
- 6. Fun for families:** Rimini is an ideal destination for families, with numerous theme parks such as Italia in Miniatura and Fiabilandia, which offer entertainment for adults and children.
- 7. Fellini and cinematographic art:** Rimini is hometown of the famous director Federico Fellini. Visit the Fellini Museum to immerse yourself in his creative world and discover more about cinematographic art.
- 8. Sea and hills:** In the surroundings of Rimini, you can experience the perfect combination of sea and hills. Visit the picturesque hill villages of the hinterland and enjoy breathtaking views.
- 9. Shopping:** Rimini offers a wide choice of shops, boutiques and markets where you can find unique souvenirs and purchases of all kinds.
- 10. Traditional events and festivals:** Rimini hosts numerous events throughout the year, including fairs, festivals and cultural events. Attend one of these events to fully experience the authentic atmosphere of the city.
